[African-American Methodist Heritage Center \(AAMHC\)](#) celebrates telling the stories of the struggles and victories of African Americans called to enhance the mission and ministry of the United Methodist denomination. AAMHC seeks to creatively develop and disseminate, through print and electronic media, discoveries and collections that reveal God at work in the lives of God's people and offer guidance for the future.

[MorningStar Mission](#) - Since its beginning in November 1909, Morning Star has had one main goal - to help people in need. Today it is a non-denominational organization based in Joliet, IL, dedicated to relieving the spiritual and physical hunger of the poor by providing food for the hungry, clothes for the needy, shelter for the homeless and the gospel of Jesus Christ for all. Through their Christ-centered programs and services they help people in need by getting to the core issues of what has caused their homelessness. Whether the problem stems from alcohol, drugs, mental health or family matters, their services are developed to reach a way to make a real change in their lives.
